Blue Print Showing Porposed Extension Now in Office of Territoral Secretary.

The Santa Fe New Mexican of M. O. Llawellyn its issue of March, has this to G M. Foraker say in regard to the extention of M. R. Otera the St. Louis, Rocky Mountain Frad Muller and Pacific Railway:

"That it is the intention of the r " Vaneha St. Louis, Rocky Mountain and W. G. Sargent Pacific Railway Company to extend its line westward through A.A. Keen Commissioner of Public the Taos valley was evidenced to- Lands. day by the filing of a blue print Arthur Trelford map of the proposed route in the w. r. Mills office of Territoral Secretar J. W. Court. Raynolds. The construction of John R. Maria this extention will tap the Taos R. C. Gortner valley which has beretofore been without railroad communication, and it will provide an eastern Donaciara Onintana outlet for the products of that Nicolas Anava

According to the blue print map the route surveyed is in a general southwesterly direction Donneians Graham tention is given as 37.85 miles, The extention will begin at a point in Cimarron Canon and follow a winding course through the Moreno valley and across the Taos St. Louis,-Lead \$6.10 divide into the Taos valley. The western terminus is designated by the map will be at the eastern Silver, 6558c, boundary of the San Fernando de Taos land grant and about three miles southeast of Taos.

It is expected that the work of construction on the extention will begin in the near future. The railroad is now in operation between Des Moines and Ute Park nation. It is the Only Paper Published running through Raton where the general offices are located."

extent effected the halance of the oob cents per fine ounce.

The story going the rounds of some of the daily papers in regard (12) bills that passed both branches of statehood of New Mexico and Arrizona, surely belongs to that skind views. of literature known as diction.

The Raton Range of March 27, issued a special edition of 30 pages which illustrates the growth of Colfax county, many of her busi. ness men and her great recources. Its is a credit to Northern New Mexico as well as to it editor.

The two leading candidates for president on the Republicans side of the house, are Secretary of War Talf and Vice President Fairbanks. Both are good soen but a majority of the people who admire the policies of President Roosevelt favor the nomination and election of the at, President's favorit secretary.

moral I The government is soon to make this, that a contract with the St Louis, Rocky to sw Mountain & Pacific Railway Company to carry mail for this section from Oimarron including Eliza. bethtown, Taos and Red River, By this change all castern mail will reach Red River twenty, four hour sooner than at the present time. The government officers have lately been investigating the route and it is reported that they will recommend the establishment I the route over that line,
